

Welcome to the Introduction to Screencasting: Using Jing & Screencast.com Workshop

Instructions:

1. Click on the **Objectives** tab to view and become familiar with the objectives of the workshop.
2. Under the **Presentation** tab, view the *Introduction to Screencasting: Using Jing & Screencast.com* presentation.
3. View the *Jing Overview Video*.
4. Under the **Examples** tab, view the examples of screencasts created using Jing and published to Screencast.com.
5. View and/or print out the *Welcome to Jing! A guide to taking your first capture* handout. Use this handout to create a screencast of a process.
6. Under the **Feedback** tab, complete the survey to provide feedback about the workshop.
